

OFFICE OF
THE DISTRICT ATTORNEY
COUNTY OF RIVERSIDE

MICHAEL A. HESTRIN
DISTRICT ATTORNEY

Asset Forfeiture Special Fund Applicants,

The Riverside County District Attorney's Office handles the filing and prosecution of civil narcotic asset forfeiture cases. These cases arise when law enforcement makes a seizure of currency which was involved in the sale, transportation, or manufacturing of illegal narcotics, pursuant to Health and Safety Code Section 11470. The intent of the California civil narcotics asset forfeiture laws is to remove the tools and profits from those engaged in the drug trade.

When currency is forfeited to the state pursuant to Health and Safety Code 11469 et seq., by statute, a certain percentage is placed into a special fund. This special fund is maintained by the Riverside County District Attorney's Office and the distribution of the funds is determined by a panel consisting of the district attorney, sheriff, a police chief selected by the other chiefs in the county, and the chief probation officer.

These funds are set aside by the Legislature to develop and maintain intervention programs that combat drug abuse and divert gang activity in high-risk elementary and secondary school age students.
