DA HESTRIN ISSUES 2015 YEAR-END REPORT

RIVERSIDE – Today, April 22, 2016, District Attorney Mike Hestrin issued the 2015 Year-End Report highlighting some of the many accomplishments of the DA's Office during his first year in office.

"This office is among the finest and most effective prosecutorial offices in the country and that is because of the dedication and hard work of every person who works here," Hestrin said. "Through this year-end report, we want to share the accomplishments of the office as well as provide a look at the work we continue to do to both fulfill our mission and to make Riverside County safe."

The report is the first of its kind to be issued by the DA's Office since about 2009.

Included in the report is a look at seven priorities Hestrin identified when he took office. At this time, five of those seven priorities have been accomplished, the sixth is near completion, and the seventh is on target to meet or exceed its projected completion date.

Also within the report are looks at the changes and accomplishments of the DA's Bureau of Investigation and the Division of Victim Services.

As a cost-savings effort, the DA's Office is not printing a large number of reports but is instead making the 2015 Year-End Report available electronically. The report can be found on the DA's Office website, www.rivcoda.org, and also directly at this link:
