## **TWO MEN CHARGED IN ROBBERY OF MAN OUTSIDE RIVERSIDE COFFEE SHOP**

**RIVERSIDE** – Today, July 2, 2015, two men were charged by the Riverside County District Attorney's Office and arraigned in connection with a robbery in May of a deaf man outside a Riverside coffee shop.

Daniel Allen Estramera, DOB: 4-23-93; and Dawone Anthony Finnell, DOB: 12-22-92; both of Riverside, have each been charged with robbery as well as a sentencing enhancement that the victim was deaf.

The two defendants appeared before Judge Helios Hernandez at the Hall of Justice in Riverside where they entered pleas of not guilty. Both men now have a felony settlement conference scheduled for July 8, 2015, at 8:30 a.m., in Dept. 63 at the Hall of Justice.

The men are charged with the May 19, 2015, robbery of a 20-year-old man who was sitting at the outside patio of Coffee Bean & Tea Leaf, 3712 Mission Inn Avenue. During their investigation into the crime, Riverside police detectives on June 23, 2015, released surveillance footage of the crime on social media and to media outlets in an effort to find the suspects. Follow-up investigation led detectives to the arrests of Estramera and Finnell.

Estramera had previously been charged by the DA's Office with robbery and dissuading a witness from a crime that happened on April 19, 2015, at White Park in Riverside. Finnell had been previously charged by the DA's Office with possession of a concealed knife.

At the July 2, 2015, arraignment for the robbery outside the coffee shop, the DA's Office dismissed those two cases and charges in both those cases have now been incorporated into the criminal complaint filed today in the May 19, 2015, robbery case.

If convicted as currently charged, Estramera faces a maximum of about 25 years in prison and Finnell faces up to 18 years and four months in prison.

The case on both defendants, RIF1503019, is being prosecuted by Deputy District Attorney Matthew Strickroth.
