

Riverside County District Attorney's Office Crime Prevention Unit

Support K-9 Dinah

Dinah is a standard poodle that is professionally trained to be a support K-9. She is assigned to the Crime Prevention Unit and plays a vital role in the unit. Dinah helps create a calm and approachable environment, making it easier to engage children in discussions about the importance of staying in school and making good choices.

Dinah's Services

School Presentations

Dinah goes to schools and attends Career Day, where you will learn more about her and her handler's role in the Crime Prevention Unit.

School Support

Provides support to students and their families after critical incidents at school.

Stress Free Environment

Dinah helps foster a calming environment and assists in easing stress, building rapport, and providing support.

Community Outreach

Dinah participates in community outreach events. This gives her the opportunity to tell you more about CPU and the support/services the unit offers to families.

Requesting Dinah

If you are interested in requesting Dinah for your school or event, please submit your inquiry via email.
